2010 Centennial Little League™ Registration Packet

Dear Centennial Little League Community,

It's amazing how another year has passed and I find myself writing to you once again as it's already registration time for the 2010 Little League® season. Despite time passing by so quickly, I've come to recognize there is no other community-based activity which provides our entire families an environment to connect with others like Little League can. Where else can you watch your children and the children of friends learn life skills such as team work, sportsmanship and competition in a clean and safe setting while enjoying the great outdoors? What other program places a premium on safety, has outstanding playing and concessions facilities at very affordable prices?

I encourage not only your children, but you as parents, to register today to play, coach or volunteer for the 2010 season. Very few community programs have been as constant and successful over the generations as Little League, so please join us in this wonderful spring family tradition. On behalf of the 2010 CLL Board of Directors we look forward to seeing you soon.

Sincerely,
Jason Chin, President
